

# OLYMPIC Hi-Lo WET TABLE™

*The only Wet Table with adjustable height and swing arms*  
**Better presentation – More comfortable**

## Wet Table Features

*This is the modern wet table that replaces wooden built-ins. Offers height adjustment and useful accessories, also converts to a fully equipped dental table.*

**Enclosed electric lift** Precision height adjustment. Capacity 250 pounds. Clean, fully enclosed.

**Ergonomic comfort** Work seated or standing on large or small patients. Meets ergonomic standards.

**Better patient presentation** With adjustable height. More efficient, faster treatments.

**Large surface** 60"x 24". For larger dogs. 2 removable grates.

**Rock solid** Reinforced all welded steel construction. No bounce or wobble. A better work platform.

**Leveling feet** Assure solid work surface.

  
**Watch video demonstration**

# Converts to Dental Table

## Dental Table Features

*In just minutes your Olympic Wet Table can be converted into a fully equipped dental table. All your instruments and equipment are positioned at your fingertips, ready for faster, more efficient procedures.*

**Ergonomic height adjustment** You can work more comfortably seated or standing. Less tiring for long dental procedures.

**Improved presentation** Another benefit of height adjustment. Better visualization and access to the oral site.

**Use your present and future equipment** This table is designed as a universal platform. You can use your present, or almost any new dental unit or anesthesia machine (pole mountable).

**Accessories** A choice of several helpful dental accessories currently available (next column).

**Solid work surface** The heavy-duty construction of the Olympic Hi-Lo Wet Table provides a rigid platform for dental procedures.

**Reduces floor clutter** Mounting equipment on the table saves floor space and congestion.

**Swing Arms** For dental use, two Swing Arms are furnished (see model 51003). These articulated arms each have 2 drop-in sockets for your dental equipment and accessories. Each arm can support 60 pounds. The arms lift in/out of brackets on the lift post and can be quickly changed without tools.

**2 tables in one** The Olympic Hi-Lo Wet Table not only provides a superior wet-dry treatment table but also a fully equipped and efficient dental table.
