

OLYMPIC Hi-Lo WET TABLE™

The only Wet Table with adjustable height and swing arms
Better presentation – More comfortable

Wet Table Features

This is the modern wet table that replaces wooden built-ins. Offers height adjustment and useful accessories, also converts to a fully equipped dental table.

Enclosed electric lift Precision height adjustment. Capacity 250 pounds. Clean, fully enclosed.

Ergonomic comfort Work seated or standing on large or small patients. Meets ergonomic standards.

Better patient presentation With adjustable height. More efficient, faster treatments.

Large surface 60"x 24". For larger dogs. 2 removable grates.

Rock solid Reinforced all welded steel construction. No bounce or wobble. A better work platform.

Leveling feet Assure solid work surface.

Converts to Dental Table

Dental Table Features

In just minutes your Olympic Wet Table can be converted into a fully equipped dental table. All your instruments and equipment are positioned at your fingertips, ready for faster, more efficient procedures.

Ergonomic height adjustment You can work more comfortably seated or standing. Less tiring for long dental procedures.

Improved presentation Another benefit of height adjustment. Better visualization and access to the oral site.

Use your present and future equipment This table is designed as a universal platform. You can use your present, or almost any new dental unit or anesthesia machine (pole mountable).

Accessories A choice of several helpful dental accessories currently available (next column).

Solid work surface The heavy-duty construction of the Olympic Hi-Lo Wet Table provides a rigid platform for dental procedures.

Reduces floor clutter Mounting equipment on the table saves floor space and congestion.

Swing Arms For dental use, two Swing Arms are furnished (see model 51003). These articulated arms each have 2 drop-in sockets for your dental equipment and accessories. Each arm can support 60 pounds. The arms lift in/out of brackets on the lift post and can be quickly changed without tools.

2 tables in one The Olympic Hi-Lo Wet Table not only provides a superior wet-dry treatment table but also a fully equipped and efficient dental table.
