

Olympic Hi-Lo Wet Table™

Now...Work in Ergonomic Comfort – Seated or Standing
The Only Wet Table With Both Adjustable Height And Swing Arms

All Olympic Equipment is manufactured in the USA and is backed by our full 3-year warranty

Saves Space and Improves Efficiency

SEATED
Comfortable 32"

STANDING
Extra tall 44"

Reduce Fatigue and Help Prevent Repetitive Strain Injuries

Olympic's ergonomic height-adjustable design allows the caregiver to work more comfortably seated or standing, reducing stress and strain during long procedures. Can be raised from an extra-low 32" to an extra-tall 44". Fully-enclosed electric lift is whisper quiet. Foot switch is mounted on a turntable so it's accessible from any side of the table.

Includes All Plumbing

Includes quick-connect hot and cold water lines, P-trap, high-arch faucet and heavy-duty coiled hose and nozzle. No additional parts to purchase, arrives fully assembled.

Pre-Installed Mounting Sockets

Position up to 6 pieces of equipment on adjustable swing arms so everything you need is at your fingertips. Tool-free design means you can customize in seconds to meet your changing needs.

Eliminate Need for Ceiling-Mounted Light

Choice of 3 LED procedure lights. Brightness up to 60k lux, dimming and color selectivity. Wider positioning range than overhead lights.

Grates can be Tilted for Increased Oral Drainage

Grate tilt insert installs under grates in seconds. The 5° tilt improves patient presentation and oral drainage.

Converts Instantly to a Dry Table

Stainless steel solid top with anti-drip edge. Installs in seconds over grates to create a firm, dry surface for exams.

Reduce Clutter

Integrated Power Strip centralizes all electrical connections in one place so there are no cords on the floor.

Enclosed electric lift – Precision height adjustment. Patient capacity 250 lbs. Clean, fully enclosed.

Large surface – 60"x 24", 2 removable grates.

Leveling feet – Assure solid work surface.

Install anywhere – Fits any standard plumbing connection. Unique design – no noisy pump, no external hoses. Installs near wall or free standing. Not a built-in, can be moved in future.

Solid work surface – The heavy-duty construction of the Olympic Hi-Lo Wet Table provides a rigid platform for dental procedures.
